To install:

1.--Extract the CONTENTS of the "Cars Folder" to: ...Your Rollercoaster Tycoon 3 directory>Cars>TrackedRideCars.

2.--Open the "Tracks folder." If you have the "Wild!" expansion pack choose "CTR_MinerExp." If you do not, choose "CTR_Miner." Extract the proper folder to: ...Your Rollercoaster Tycoon 3 directory>tracks>TrackedRides.

If you would like to change the track, the names for the cars are: CTR_Miner, CTR_Coalminer, CTR_Goldminer.

Thank you for downloading,
